Jas,

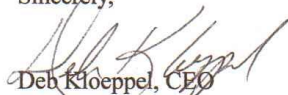

The Military Spouse Corporate Career Network (MSCCN) is honored to partner with Final Salute and assist its work to serve homeless female veterans and help them regain their independence.

The Military Spouse Corporate Career Network (MSCCN) was chartered in 2004 as private sector non-profit organizations that provide no-cost employment readiness, vocational training, and one-on-one job placement services for National Guard, Reserves, transitioning service members, veterans, military spouses, homeless female veterans, war wounded and caregivers of war wounded. Over the past three years, we have served over 8,000 applicants and provided outreach to more than 50,000.

We stand in agreement with Final Salute that female veterans who are homeless and those who are at risk of becoming homeless, would greatly benefit from our collaborative services. Final Salute is one of the few organizations that have specifically targeted female Veterans, a forgotten and extremely underserved population of veterans, and has devoted their mission to catering to their unique supportive needs.

Should you have any questions about MSCCN or our partnership with Final Salute, please don't hesitate to contact me. Thank you again for your consideration.

Sincerely,

Deb Kloepfel, CEO
