## **INDEPENDENT AUDITORS' REPORT**

To the Members of  
Corporate America Supports You  
St. Louis, Missouri

We have audited the accompanying financial statements of Corporate America Supports You (the "Organization"), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## NOTES TO FINANCIAL STATEMENTS

### **Note 1 – Organization and Summary of Significant Accounting Policies**

#### **Organization and Nature of Activities**

Corporate America Supports You (“CASYS”) is a not-for-profit entity formed in the state of Texas in 2004. CASYS provides employment referral and job placement solutions to the military and war wounded at no cost. CASYS operates with a user-friendly Internet Gateway available to job seekers and partnered employers. The Organization is supported through public grants, contributions, and investment income.

#### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Financial Statement Format**

According to generally accepted accounting principles in the United States of America, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. As permitted by the statement, the Organization does not use fund accounting. The three classes of net assets are described in more detail as follows:

1. *Unrestricted Net Assets* represent those net assets whose use is not restricted by donors. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Temporarily restricted contributions that are expended for their restricted purpose in the same reporting period as received may be recorded as unrestricted. Unrestricted net assets were \$1,785,675 and \$1,109,555 at December 31, 2016 and 2015, respectively.
2. *Temporarily Restricted Net Assets* represent those net assets whose use has been limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations. The Organization’s temporarily restricted net assets were \$198,476 at December 31, 2016. There were no temporarily restricted net assets at December 31, 2015.
3. *Permanently Restricted Net Assets* represents those net assets whose use has been limited by donor-imposed stipulations and must be maintained in perpetuity. The Organization had no permanently restricted net assets at December 31, 2016 and 2015.

#### **Estimates and Assumptions**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from those estimates.

#### **Reclassifications**

Certain prior year amounts have been reclassified where appropriate to conform to the current year financial statement presentation.
