Mission:

To expand employment opportunities for service members and veterans through our high-touch, one-on-one employment placement assistance, focused on the use of gap skills training and targeted resume and interview assistance, LinkedIn optimization, and leveraging connections to employer partners to facilitate a smoother transition - employment process.

- 96 cents of every dollar raised is spent on mission
- For every \$500 raised a veteran or service member is placed in a job
- Over 20,000 verified placements in the last five years

CASY provides real solutions and outcomes to the many challenges faced by today's unemployed service members from all branches and service eras.

CASY Veteran Employment Assistance

- CASY is not a one-time job placement assistance program; instead, focusing on supporting our veterans and service members in continued career progression.
- Through industry-focused and Train2Hire programs, CASY has been able to maintain an average 93% of Veterans who find employment through CASY services and stay on the job for a minimum of one year.
- The average starting salary for Veterans working with CASY is \$72k
- CASY has leveraged training partners that provide in-demand skills training that our employer partners are looking for.
