

Jamie Dale

CASY & MSCCN
DIRECTOR OF TECHNOLOGY

Jamie Dale is the Director of Technology for Corporate America Supports You (CASY) and the Military Spouse Corporate Career Network (MSCCN), two unique non-profit organizations that provide employment readiness and job placement assistance for all veterans, military spouses, National Guard and reserves, transitioning military, and caregivers of war wounded.

In her current position as a member of the CASY & MSCCN Executive Team, she is responsible for customizing and maintaining the organization's Candidate Management System, BrassRing on Cloud & Watson Campaign Automation, generously donated to the organization by IBM. She also maintains the organization's websites as well as the websites for our National Guard & Army Reserve partners.

Prior to joining CASY & MSCCN, Jamie worked as a DoD Contractor for the Indiana National Guard as a Web Developer and Data Analyst for over 3 years. She has extensive experience in web design and development, as well as working with all levels of rank in the military, which has prepared her well for her current position as the Director of Technology for CASY & MSCCN.

As a Navy wife, Jamie has a desire to give back to those within her military and veteran communities. She enjoys spending time with her children, cooking & working in the family's vegetable garden.
